East Moline Community Fund

For our community. Forever.

Established in 2011, Bob Baecke, Bill Phares, Doug Reynolds, and Ben Ryan Jr. created the new East Moline Foundation, a geographic based affiliate fund of The Moline Foundation, to bring resources to those in need. Now known as the East Moline Community Fund, the vision of its founders continues through the work of its active members: Larry Anderson, Kimberly Crane, Willie Ellis, Eric Davis, Connie Dowsett, Cathie Rochau, Shaun Taylor, Jen von Kaenel, and Matt Wright. This team raises endowed funds to benefit the greater East Moline community, allocates grants for non-profits and accepts legacy and estate gifts.

"Several generations of my family grew up and worked in East Moline because of the sense of community. The East Moline Community Fund allows us to support this community of neighbors in East Moline both now and for generations to come."

Connie Dowsett - Chair
