

Moline High School Class of 1959 Dennis Armstrong Scholarship

The Class of '59 offers a \$1,000 one-time scholarship in honor of Dennis Armstrong to a Moline High School 2023 Graduating Senior of the Bass Fishing Club.

Denny Armstrong graduated in 1959 from Moline High School. He worked for International Harvester in East Moline for over 30 years. Denny enjoyed bass fishing. He liked attending events and activities with his 1959 high school graduating class.

“I was proud of him for his relationship with his classmates and their accomplishments as a group... they all made each other’s lives a better place to be and the world an example of how to care and help each other with pride, compassion and most of all LOVE.” Dan Armstrong (Denny’s Son).

The Moline Foundation and MHS Class of '59 encourage graduating seniors who are members of the Bass Fishing Club to apply for this scholarship. Learn more about [applying here.](#)
