

Moline High School Class of 1965 Scholarship Fund

[Donate Here](#)

The Moline High School Class of 1965 Scholarship Fund began in 2014 with the purpose to give back to their Alma Mater by providing supporting scholarships for Moline High School students.

The Class of 65 coordinates and challenges its alumni to contribute to the scholarship fund through an annual drive or memorials. Currently they are challenging The MHS Class of 65 to grow the contributors of the fund – DRIVE TO 65.

The fund awards current year MHS graduates who seek to better themselves and contribute to society.

Scholarships Awarded

I am honored to be receiving the scholarship because it means you believe in me and are willing to help further my education. I will be attending Augustana College in the fall and plan to become a mechanical engineer.

During this pandemic it is hard to not think about what other people could be doing differently. It is just best to make sure you are doing your part. If you can somehow incorporate helping others into that even better.

I am particularly grateful for the assistance that will make the transition to college easier.

■ John Melton 2020

I am a freshman at Scott Community College and a goalkeeper on the women's soccer team. I will obtain my associate degree in pre-physical therapy and transfer to a university where I will pursue a doctorate degree in pediatric physical therapy. Thank you for contributing to my future success and that of other graduates from Moline High School.

■ Morgan Hemmen 2019
