

Chapman Family Scholarship Fund

[Donate](#)

The Chapman family, Jon, Tanya, Paul, and Tiffany are avid "ROCKY" fans. They graduated with a "ROCK" solid education from Rock Island High School. By creating a scholarship for Rock Island High School graduates, they encourage and support students to be self-sustaining and contribute to society on their life's journey.

Recipients of this scholarship shall be based on a student's volunteer activities in high school and their pursuit of a major in the healthcare field, such as a physician, nurse, pharmacist, or any other field leading to the delivery of hands-on medical care.
