

SHERRARD ACADEMIC FOUNDATION

ADVOCATING EXCELLENCE

Dear Valued Sherrard School District Supporter,

Since 2007 the Sherrard Academic Foundation has:

- Raised over \$170,000
- Supported Unit #200 classrooms with over \$60,000 in teacher grants
- Provided over \$50,000 college scholarships for students
- Contributed \$13,000 to the Academic Achievement Program assisting students with college expenses

We invite you to help us support the next generation of Sherrard alumni and our district's dedicated educators by donating to the Sherrard Academic Foundation today.

Sherrard Academic Foundation provides an avenue for Alumni, Area Residents and Businesses to make long-term, tax-deductible investment in the students, teachers and our community through our General Fund or Endowment Fund. For these efforts we are a proud partner of The Moline Foundation.

While supporting and promoting the successes of the Sherrard Unit # 200 Schools, Sherrard Academic Foundation operates independently from the Board of Education of the Sherrard School District.

Sherrard Academic Foundation is grateful for your generosity, invaluable support, and ability to continue our mission, **Advocating Excellence** in the Sherrard schools and the community.

Warm regards,

Sherrard Academic Foundation Committee
