Bigger than Life

The Stan Woods Memorial Scholarship Fund was established in 2011 by the Woods Family in honor of their husband and father.

Mr. Woods was an educator for 38 years at Moline High School.

"It was always sunny and 72° in Stan Woods' world. The longtime educator and Moline High School counselor refused to deal with gloom.

He guided the school's Share Joys program, which raised hundreds of thousands of dollars for the less fortunate.

"If a student slipped into the "gray" area, he took it upon himself to rescue those students, giving them a positive boost and pushing them toward becoming better students and people."
Mr. Burrus.

Even in his brief illness, his request was for any memorial to be given to the Stan Woods Memorial Scholarship Fund. Still giving, still supporting, still coaching, still bigger than life.
