

Jack Dye Scholarship Fund

Teacher/Coach

With a degree in history from Augustana College, Jack Dye went on to teach and coach in the Moline School District. His love of coaching basketball, golf, and tennis was just a part of his repertoire. Mr. Dye thoroughly loved to engage his students in timely discussions about the social sciences.

He was instrumental in starting the Moline hall of Honor for Moline graduates and was inducted into the Illinois basketball Coaches Association Hall of Fame.

Jack Dye had a photographic memory that earned him respect from students, fellow teachers, athletes, and the community. He loved the Moline Downtown, and his volunteerism in Rotary, the Chamber of Commerce, and Arrowhead Ranch kept him far from retirement.

This scholarship is awarded to a Moline High School Student.
