

Moline High School Class of 1959 Scholarship Fund

[DONATE](#)

The Moline High School Class of 1959 Scholarship Fund began in 2009 with the purpose of giving back to their Alma Mater by leaving a legacy and providing scholarships for Moline High School students. The Class of 1959 challenges its alumni to contribute to the scholarship fund through annual giving or memorials / honorariums.

Please consider making a legacy gift for future Moline High School graduates. The MHS Class of '59 Scholarship fund awards current year MHS graduates who seek to pursue their education, better themselves, and contribute to society.
