Doug Reynolds and his son Scott

DRIVEN TO SUCCESS HELPING TO STEER EAST MOLINE PROGRESS

The Doug Reynolds Rotary Scholarship is offered to United Township High School graduates who plan to attend Black Hawk Community College for two years and then go to a fully accredited college to complete their undergraduate studies.

Fully engaged in his community as the Owner of Reynolds Motor Company, his involvement in REDEEM or Revitalize and Develop East Moline led him to help found East Moline Community Fund and other community organizations.

"Bigger Vision," Good Person to work With," and Enthusiasm for the Quad City Community flows as deep as the Mississippi River and as wide as the farthest boundaries of Rock Island and Scott Counties" are just a few observations of Doug Reynolds.
